DECO MESH – VINYL OR WOOD

QUALITY MATERIALS

CEDAR DECO MESH

This style blends natural cedar with durable steel for a clean, modern look. Built with pressure-treated posts, cedar rails, and heavy-duty mesh, it offers long-lasting strength and timeless curb appeal. Customize with trim options, different mesh sizes, powder-coated finishes, height extensions, and decorative caps.

FOREVER MESH® VINYL DECO MESH

Patented by Larry Bergsma, exclusively for Discount Fence, our Vinyl Deco Mesh fence delivers a sleek, modern look with virtually no maintenance. Featuring a durable vinyl frame and strong steel mesh, it provides long-lasting performance and clean curb appeal. Available in multiple vinyl colors, mesh sizes, and galvanized or powder-coated finishes. Height extensions available.

DEER DECO MESH

Convert your Deco Mesh fence into an effective deer barrier by increasing post height to 7' and adding two strands of tension wire. Available in various colors to seamlessly blend with your fence while providing added protection against deer.

WOOD DECO MESH GATE

Upgrade your property with a beautifully crafted cedar-framed Deco Mesh gate — designed to seamlessly complement your existing fence or make a bold statement on its own. Built for long-lasting durability and timeless style, each gate is fully customizable to suit your needs:

- Trim or no trim options
 - 4x4 or 2x4 mesh openings
 - Galvanized or powder-coated finishes
 - Multiple latch options available
- Strong. Stylish. Built to last.

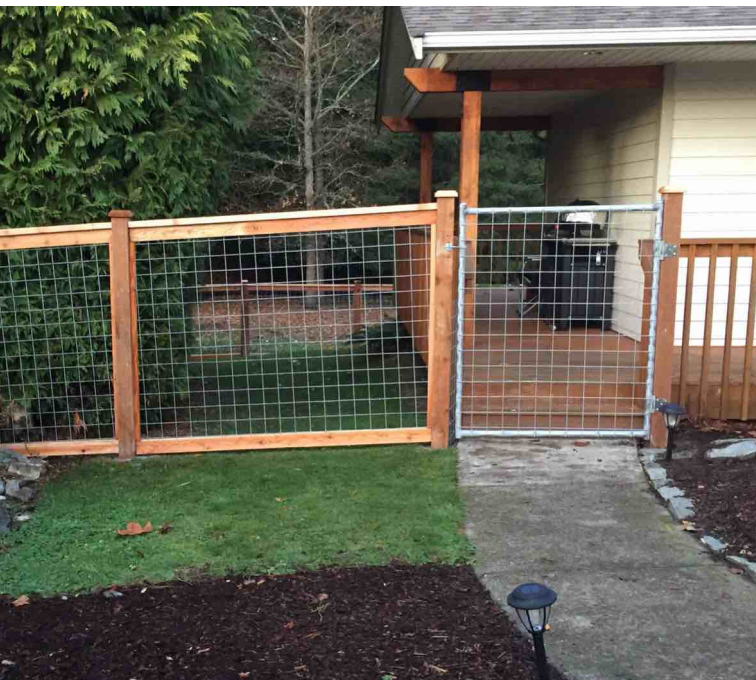

STEEL DECO MESH GATE

Highly durable and completely maintenance free, this gate features a welded steel frame with a deco mesh panel for maximum strength and long-term performance. Designed to withstand the elements with a sleek, modern look.

Options:

- Galvanized or powder-coated frame
- 4x4 or 2x4 mesh openings
- Galvanized or powder-coated mesh
