# QUALITY MATERIALS

## INTRODUCING AN INNOVATIVE, PATENTED FENCE SYSTEM – DESIGNED BY LARRY BERGSMA, EXCLUSIVELY FOR DISCOUNT FENCE

This patented fencing system combines the strength of heavy-duty steel deco mesh with the durability and low maintenance benefits of premium vinyl posts and rails — creating one of the most durable and long-lasting fence solutions available. Engineered for performance and built without any fasteners, this system delivers superior stability while maintaining a clean, modern aesthetic. The vinyl framework resists rot, warping, and fading, ensuring long-term beauty with minimal upkeep. The thicker steel deco mesh enhances structural integrity while preserving an open, unobstructed visual experience.

## CUSTOMIZATION OPTIONS

This style may be customized with a curated selection of premium vinyl posts and rail colors to complement any setting. Mesh opening sizes are available in 4" x 4" or 2" x 4", and you may choose between galvanized or professionally powder-coated mesh finishes for enhanced durability and refined appearance.

The result is the best of both worlds:

- Clean architectural look
- Exceptional durability
- Low maintenance performance
- Open sightlines that complement the natural beauty of the Northwest

**BUILT TO LAST. DESIGNED TO STAND APART.  
AVAILABLE EXCLUSIVELY FROM DISCOUNT FENCE.**
